We, the class of '55, dedicate this year's Memoirs to

WORLD PEACE

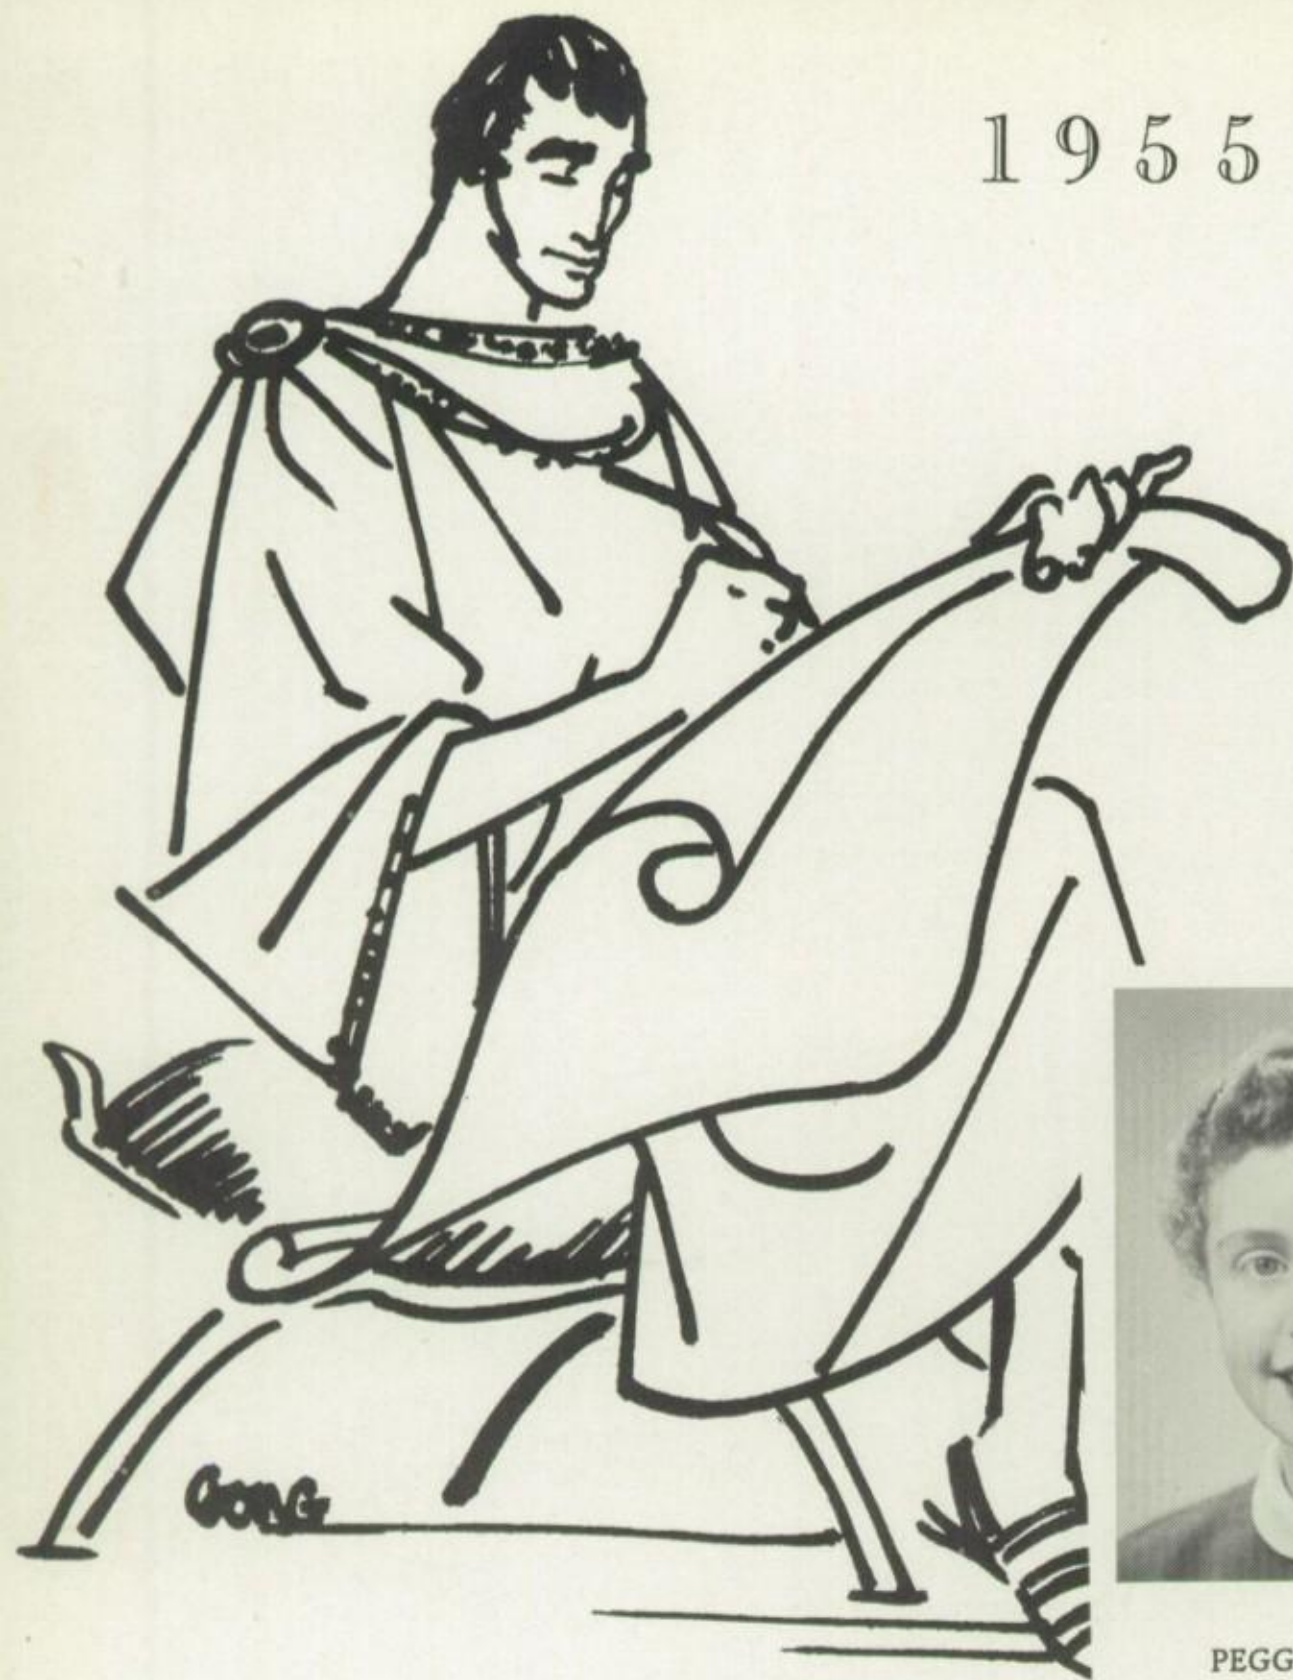

...Peace is not merely a passive concept, but peace is a call to action. It is not enough to dislike war and to denounce it. War has been hated throughout the ages. Yet war has been recurrent throughout the ages. One reason is that men have never put into winning the peace efforts comparable to those which they put into winning a war.

Mankind will never have lasting peace so long as men reserve their full resources for tasks of war. To preserve peace and to do so without the sacrifice of essential freedoms require constant effort, sustained courage and at times a willingness to accept grave risks. That is the true spirit of peace...

Colton Meek
Principal

Commencement will represent a turning point in the lives of most of you. Not only will you leave your high school days behind, but in many cases you will leave family and friends as you venture farther afield in search of new experience. This is as it should be, and we would not hold you back, but we wish you to know that your departure has not lessened our interest in you.

We sincerely hope that the sacrifices made by your parents and the devoted service of your teachers will have given you a background that will enable you to achieve success in your life work, and that in some future period, when you look back upon your days at U. S. Grant, you will do so with love and respect for this great school which we all hold so dear.

When you entered high school, the four years ahead looked very long and distant. Looking back, now that the time for graduation has arrived, these same four years seem to have passed very quickly. During this time much has happened. You have experienced many joys and successes as well as some disappointments and failures. You have improved your skills and abilities, have acquired new appreciations and interests and have developed respect for the democratic values and man's welfare. We here at Grant High School who have worked with you during these years believe that you have the ability to meet both success and failure in a mature manner and have prepared yourselves to meet the next four years and all those that follow in a way that will bring credit to yourself, to your families, to Grant High School and to your country.

Harold Kleiner

Vice-principal

Four swift and busy years have passed since we welcomed you, the class of 1955. For many the hopes and dreams of September, 1951, have been fulfilled. As we foretold then, what you take from your years at Grant is the result of the efforts which you, as individuals and as a class, have exerted in the classroom, in activities and in service.

Now, as you graduate, we have the same high hopes for you in the coming years, and again the result will depend upon your own personal goals and ambitions. May they be worthy of the potentialities which we know are yours. Our good wishes go with you.

The Class of 1955 has been a prominent one since it was organized four years ago. Under the capable leadership of their officers, the seniors have enjoyed their last year at Grant, a year filled with happiness and sorrow, learning and activities. The traditional senior class play was held, and the profits from this production and the class sales sponsored the exciting Senior Prom, where the dancers enjoyed the music of Van Armitage and his orchestra. The senior assembly, senior administration day, the walk-out assembly, Baccalaureate, and the highlight of four years, commencement, will never dim in the memories of the seniors, the Class of 1955.

SENIOR CLASS SONG — 1955

Tune of Bendemeer's Stream

Though we leave you Grant High School in our hearts you
will stay,

For our memories like embers will burn ever bright,
And the spark of true friendship will ne'er die away,
For its flame kindles always our pathways to light.

Shining horizons are beckoning us on,

All life is a challenge that each one must meet;

Though these four years with you all too quickly have
gone,

With the knowledge we've gained she shall o'ercome defeat.

To halls filled with laughter we now bid farewell,

But the echo of gladness will ring in each heart;
As we travel life's highways we all can foretell

That these echos will linger though we be apart.

May the light of our loyalty show us the way,

Your spirit and pride in us never will die.

We have made many friends from the blue and the grey,

Now we look to the future, farewell to Grant High.

JUNIOR CLASS OFFICERS

The Junior Class had a very successful year under the capable leadership of president Al Menashe and the other officers. Several successful sales brought in enough money to present a joint dance with the sophomores, "April Antics," and the memorable junior prom, "Moonlight Serenade." Junior prom princesses, Mary Brown, Virginia Damis, Sharon Frey, Sue Johnson, Judy Lumby, were selected to reign at the traditional dance. The most timetaking project during the year was the class assembly, "This Is Your Life." Thus rounded out the third year of high school for the class of 1956, and with it great expectations for the coming year.

Sponsoring the Frosh Frolic was the first activity which confronted the sophomores when they returned to Grant after an enjoyable summer. Sophomore class president Fred Neimann and his officers organized and set the wheels in motion, which resulted in a successful year. Following the annual dance for the freshmen, a change in the junior rally elections was declared, increasing the squad to six girls and three boys instead of the previous three boys and three girls. The sophomore class assembly, "Showboat," was held, as was a joint dance with the junior class and participation in the May Fete. The class flower and color were selected, and with this came thoughts of graduation, yet two years off. Nevertheless, the year is over, and many memories will linger in the minds of the class members of their sophomore year.

New to Grant this year, the class of 1958 adapted themselves to their classes and had time left over to participate in extra-curricular activities, such as their contribution to the class assembly competition. "Western Summer" was presented on March 31, showing the talents of the freshman class. Frosh Center is one activity that is exclusively for the members of Grant's youngest class, and is held one evening during the month in the clubrooms, where ping pong, dancing, and refreshments are enjoyed by those attending. A class sale and participation in the May Fete were other activities during the year which included freshmen, and the members of this class are looking forward to more activities in their next three years at Grant.

Among the service projects, making tray favors, joke books, folding hospital bags, making afaghans, and working at the Good Will have ranked high. The social functions included a tea for teachers, Christmas caroling, pot-luck dinners, slumber parties, joint meetings, and a spring formal with Alpha Theta. The annual beach trip will be paid for by the rummage sale.

Grant's P. T. A., the largest in the state of Oregon, boasted 100 per cent faculty participation this last year, bringing the total number of members to 1450. A., as was a scholarship to a Grant student planning to major in education in an Oregon college or university. Bridging the Gap was another project for the group, which consisted of contacting the twelve grade schools in the Grant area and inviting parents of the eighth graders to come to a meeting which would help the parents aid the students in adjusting to high school.

JEFFERSON-7

Grant held the Jefferson Democrats to a scoreless deadlock for three quarters, but finally wilted under a steady 97-yard drive in the closing stanza to fall 7-0.

After the Jamboree at Hopkins Jenkins field, the G-men quickly got a drive under way. Jack Beaudoin attack that sputtered out on the Demo's one-yard line.

Then, midway in the final quarter Beaudoin hoisted a beautiful punt that bounced deep in Jeff territory and rolled out on the three. But this was the spark that proved to be Grant's downfall. The aroused Democrats launched a drive that never stopped until Grant Jackson lumbered the last four yards for six points.

Grant turned back Benson in routine fashion 27-14 to rack up their second win of the season and remain just one game out of first place.

After registering their first score in the second quarter, the Generals were never headed by the gallant Bensons. Larry Hoffman again stole the show with breathtaking runs of 32, 50 and 65 yards.

The Mechanics' first touchdown came soon after the half when Clarence Wilson blocked Jack Beaudoin's punt and went all the way untouched. Junior quarterback, Ed Dice, flipped 2- yards to Norm Blatter for one tally. Bob Bolles, Jon Miller and Hoffman ran over the other Grant scores.

Explosive football on the part of Larry "Tex" Hoffman and Ken Spint proved the difference for Grant as the G-men rolled over Washington by a 26-0 count.

Playing at Hopkins Jenkins field, Grant scored once in the first quarter, twice in the third, and again in the fourth. Hoffman galloped 30 and 65 yards for two touchdowns. Don Clark passed to Bruce Watkins for another. Then, in the last stanza, Spint intercepted a pass on the run and kept going down the sidelines for 6- yards and paydirt.

The Tribe registered their touchdown on the first play of the game as Larry Capri chugged 78 yards around end. For two quarters they staved off Grant drives. In the second stanza the G-men were held on the Indians' one.

Grant finally tied it up in the third quarter when a Tribe fumble was recovered on their own 20-yard line. After three plays Bob Bolles scored from five yards out. Beau-doin's conversion was the final point of the game.

GRANT-0

LINC.-14

Grant's Generals wilted under a relentless ground attack and dropped a tough 14-0 decision to Lincoln.

Junior quarterback Ed Dice had passes backfire on him at the wrong time. The G-men had the first two scoring opportunities. They took the kickoff and traveled 75 yards in 11 plays only to be stopped by a pass interception on the Cardinal four. Later in the quarter Lincoln flagged down another Dice pass on their own 25-yard line.

Gene McMullen scored both Abe tallies with a 25-yard run and a one-yard line smash.

GRANT-0

ROOSE.-6

On a muddy, rain-soaked field Grant dropped a 6-0 defensive battle to the Roosevelt Roughriders.

The only score of the game came when Ed Dice's pass was picked off by the Teddies' Don Wettstead who ran it back 55 yards to paydirt.

Except for that one play, the Roosevelts never got beyond the Grant 35-yard line. The G-men got once as far as the Teddie twenty-four.

Grant fullback, Bob Bolles (37), hasn't much farther to go in muddy 6-0 loss to the Roosevelt Roughriders.

The final PIL game of the season saw Grant lose their third game in a row; this time it was 20-0 to Franklin. It was also the third game in a row that the Generals went scoreless.

Grant lost their big chance in the first quarter when they took the kick-off and marched all the way to the Quaker three. Beaudoin fumbled, Franklin recovered and Grant never got another chance.

Led by Scott MacDonald and Doyle Chapman the Franklins rolled and kept rolling to the tune of three touchdowns.

As usual, John Erickson is first in the 440.

Grimacing George Claussen is far ahead of everyone as he clears the last hurdle at Cleveland.

Co-captains Roger Stoutt (left) and Lyle Sachs work out in the rain. Stoutt set a mile record for dual meets. Sachs was a top runner in 440 and century.

Grant's strong javelin combination of (L to R) Ben Baum, Jim Brown and Wally Wallace pose for the camera.

(L to R) Bob Bolles, Frank Trullinger, John Erickson and Lyle Sachs form mile-relay team that took second in the big Hayward Relays.

Bespectacled John Scott practices his shot-putting form.

Art Lewis barely clears the crossbar in the Cleveland meet won by Grant.

STATE CHAMPIONS

Grant's aqua empire actually started only a few years ago. With Coach Bill Eilertson at the helm, the G-men paddlers have splashed their way to five state championships in the last six years. They've simply been unbeatable since George Claussen, Donn Sulloway and Jim Barnes began swimming for the team four years ago.

All three are seniors, but the remaining lettermen should keep Grant's empire alive for some time to come.

Four-year lettermen (L. to R.) Donn Sulloway, George Claussen and Jim Barnes look proudly at state championship trophy they helped bring permanently to Grant.
